"One Minute Cough Cure beats all other medicines I ever tried for coughs, cords, croup and throat and lung troubles," says D. Scott Currin, of Loganton, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs.

The exercises were up to the standard of this excellent institution, and it would take one better versed in such things than we to fairly decribe them. The full program, however, will appear next week, as rush of matter at a late hour denies it space now.

On Tuesday night the same tumultous rush occurred for seats long before the appointed hour, but additional seats had been arranged on the stage and more people were accommodated. This night was, if anything, more enjoyed than the previous one, owing to more pleasant weather and greater seating accommodations. The demeanor of the large audience was superb-at times a
